

We are thrilled to announce a groundbreaking partnership between Mining Race and ICONX to boost market coverage at an accelerated pace.

Mining Race and ICONX are excited to embark on a strategic alliance that leverages our respective strengths to unlock unprecedented benefits for our customers. By combining Mining Race's solutions with ICONX's expertise in affiliate marketing, we are poised to reach new audiences, and create a more robust ecosystem for our products and services.

KEY HIGHLIGHTS of the Partnership:

Market Expansion

Tap into new markets and demographics, ensuring wider accessibility to our products and services.

Customer Benefits

Customers can expect more personalized experience, with enhanced access to valuable resources and exclusive offers through targeted affiliate marketing campaigns.

Innovation Acceleration

Drive innovation and set new benchmarks in the industry.

ABOUT MINING RACE

Mining Race delivers cutting-edge Bitcoin Mining solutions that have set industry standards. With a commitment to excellence, our mission is to empower our clients by providing access to Digital services, Mining Devices, Hosting Service and Speed Mining.

ABOUT ICONX

Focused on affiliate marketing, ICONX specializes in developing dynamic marketing strategies that enhance reach, engagement, and conversions.
